E-mail completed form to compass@brunswickboatgroup.com or FAX to Compass Help Desk (920) 907-2501

Individuals listed above will be given "administrator" rights to the system. Administrators are able to add and delete "users" as well as edit the level of access of Compass "users" for the specified dealership(s).

Any individuals wishing to perform functions in the Compass system (warranty claims, registrations, part ordering etc.) will need to have a "user" account set up for them by the administrator.

If the administrator wishes to perform these functions, they will need to create a separate "user" account for themselves.

Contact compass@brunswickboatgroup.com or (866) 392-4014 for any additions, changes or deletions of individuals set up with administrative access.
